Mrs. Housaman presented the New Course Proposals: Career and Technical Educated submitted by Mrs. Cheryl Kothe, Coordinator of Career and Technical Education, Mrs. Housman, and Dr. Savaglio-Jarvis, excerpts follow:

“Two new course proposals are being submitted in the area of Career and Technical Education. The proposals will support the introduction of Industry 4.0 manufacturing certification to Kenosha high schools. Introduction to Mechatronics and Introduction to Industrial Control Systems courses will provide students an opportunity

Kenosha Unified Community Groups primarily for adult activities, and For-Profit and Other Groups will be charged a modified rental cost including indirect and depreciation charges. . . .” (Appendix A)

The coordinator of athletics/physical education reviewed the process for charging facility usage fees in fall 2016 and discovered that there was not a consistent process for charging fees. Through conversations with several groups, the coordinator of athletics/physical education discovered that there were various reasons for not charging fees. An example of minimal or no fee for use of facilities is the Kenosha Raptors Lacrosse Club. This club reserved grass fields for practices at times that coincided with the Tremper High School teams utilizing Ameche Field. If the Tremper teams left the stadium prior to the conclusion of the lacrosse practice, the lacrosse team finished their practice in the stadium.

In order to maintain the pristine condition for current and future athletes, facility maintenance is critical. While the fee structure has not been consistently applied in the past, the revenue that would be generated from consistent application in the future will be used to maintain the facilities.

The coordinator of athletics/physical education contacted Mr. Rob Wikstrom, president of the Kenosha Raptors, in spring 2017 regarding the fee schedule. At that time an understanding was reached with the Kenosha Raptors Lacrosse Club to pay for the expense of the stadium manager for team practice during the 2017 season so that the club was able to plan for the transition to payment of the established fee provided by district facilities and board approved.

On February 7, 2018, Mr. Wikstrom was informed that his request to waive or reduce the fees for stadium usage by the club had been denied. On this same date, Mr. Wikstrom sent an email to the superintendent and the board requesting that they review this decision (Appendix B). Policy 1330—Facilities Use (Appendix C)—states that:

“. . . The District’s Chief of School Leadership, Director of Facilities Services or Building Principal is authorized to approve/deny and schedule the use of District facilities in accordance with Board policies, rules and procedures. If the request for use is denied, the requesting party may appeal to the Board of Education for approval. . . .”

Usage of Kenosha Unified School District facilities by the Kenosha Raptors Lacrosse Club boys’ team for 2016-2017 as well as requested usage for 2017-2018 is outlined below.”

Mr. Falkofske moved that the Board of Education deny the fee waiver request for the Kenosha Lacrosse Raptors Club. Mr. Wade seconded the motion. Unanimously approved.
