On November, 17, 2020, the Board voted to suspend athletics from November 20, 2020 through January 3, 2021. All athletic teams resume practice on January 4, 2021. WIAA guidelines require 5 practice days prior to participation in competitions for all teams. Dr. Savaglio-Jarvis introduced the Return 2020 Plan submitted by Mr. Kristopher Keckler, Chief Information Officer; Ms. Susan Valeri, Chief of School Leadership; and Dr. Savaglio-Jarvis, excerpts follow:

“As the nation is responding to the unprecedented challenges brought upon us by the COVID-19 pandemic, thousands of schools have been forced to create virtual learning experiences throughout our communities. Schools and systems across the nation found themselves having to reinvent learning in many new ways. The staff and students of KUSD have been doing just that in these most unprecedented times.

However, understanding the learning and social emotional challenges posed on students requires leadership from all entities including educators, medical professionals, parents, community members, boards of education and other vital stakeholders to come together for the bettero28 ofnd stbo02810 (e l)619 (ar)7 (ni)o

members may discuss the topic as needed. This item is being presented for board discussion and possible action.”

November 17, 2020/Regular Board Meeting:

The Board moved to transition to 100% virtual instruction for all students except those whose IEPs require in person instruction from Monday, November 30 through Friday, January 8, with instructional staff only permitted but not required to work from home as long as such staff have reliable internet to serve students virtually, with all such staff designating their intention to their building principal prior to November 30, 2020. Motion carried.

KUSD Threshold:

On October 16, 2020, the district implemented the KCDH thresholds for determining when to move a school or the entire district to virtual learning. The following indicators were established to trigger a transition to all virtual learning (please note: all metrics are subject to change based on new guidance from public health officials):

- x>3% positive cases in a school within the last 14 days (based on the cumulative total of in-person staff and student COVID-positive cases divided by the total in-person staff and student population);

- xA significant community outbreak is occurring or has recently occurred (large community event or local employer) and is impacting multiple staff, students, and families served by the community such that the KCDH directs KUSD to close buildings.

- xStaff absences, due to individuals personally testing positive or being required to self-quarantine as a close contact, reach a level that has the potential to compromise the safety or fidelity of the learning environment. These three thresholds remain.

January 6, 2021/Special Board Meeting:

All teachers return to their buildings to work on January 11, 2021. All PreK-5 students return to in person learning on January 11, 2021, if elected as their learning mode prior to November 30, 2020; virtual learning continues for those who elected virtual. All 6-8 students return to in person learning on January 11, 2021, if elected as their learning mode prior to November 30, 2020; virtual learning continues for those who elected virtual. All 9-12 students return to in person learning, if elected as their learning mode on January 25 which is the start of the 3Q; virtual learning continues for those who elected virtual.

The District understands the 2020-21 school year comes with many varying opinions for many solid reasons. Administration recommends that the Board of Education spend time considering the recommendation below for the remainder of the 2020-2021 school year. And, while doing so keeping in mind the components outlined in the Return 2020 plan in order to make the best decision for all
